**RACING RESUME**

Most of my competitive sailboat racing experience comes from sailing on Skipper Wes Selby's T-N-T, TRIP 47 out of Newport Beach, CA in the A PHRF class fleet. I have sailed for Wes for five years mainly as a jib, spinnaker trimmer and driving on occasion. I have on several occasions worked the pit, main sail and runners as well as foredeck when a hand was needed. My greatest strengths are backing the pit area trimming jib, Genoa and spinnaker sails.

I have been the main coordinator for the team since I stepped on board T-N-T. I maintain the website, [www.tntsailing.com](http://www.tntsailing.com) and send out a mass email newsletter before all races and with post race standings. I have been the main contact for crew to get up to date information on all upcoming races and for post race information.

I started sailing on Hobie catamarans when I was 12 back in New York on Long Island. I progressed to sailing our families Columbia 26 and over the years and have crewed on several different sailboats over years.

A brief list of the races I have crewed on as a trimmer over the past years is below.

**2007 RACE CALENDAR**January 6, 7 - BYC, Sunkist Series #2 - [Info](#)February 3, 4 - BYC, Sunkist Series #4 - [Info](#)
